UNDERPASS DESIGN COMPETITION

Launched April 2014

248 submissions from 14 countries

Community presentation of 10 finalists
in October 2014

370 community survey responses

M Street underpass selection: “Rain”
submitted by Thurlow Small Architecture
+ NIO architects

“RAIN”

- Highly ranked in community surveys
- Responsive to pedestrian + bicycle needs
- Improves light + safety

TIMELINE + NEXT STEPS

SPRING 2015

- Advance concept design per feedback
- Follow-up community meeting (late Spring)

SUMMER 2015

- Construct “Rain” prototype
- Finalize drawings based on feedback and prototype testing

FALL 2015

- Construct “Rain,” transforming the M Street underpass

ONGOING

- Continue to meet with District partners, transportation partners, and community stakeholders
- Updates provided at www.nomaparks.org
